

THE GAIETY

Welcome to Short Attention Span Theatre at the Ayr Gaiety. You will see six short plays written especially for this show, all with the theme of 'Daytrippers'. We're delighted to be performing at this famous theatre. We'll be back with six new plays in May and July, so if you enjoy today's performance, spread the word.

Thanks to Vince, Nicola, Laura and all the staff at the Gaiety. Thanks also to Eleanor and everyone at Vanishing Point. Thanks to David Hewitson.
