### Mortified by Karen Barclay

Can a person really die of embarrassment? With an eccentric relative like this one some unfortunate is about to find out...

### When The Penny Drops by Catriona Duggan

A high school teacher has found the foolproof way to deal with the demands of the job. However there may be a fatal flaw to her method....

### Delivery by Tom Brogan

A comedian who never quite had the break he felt he deserved, Jimmy Hay, runs a stand-up comedy class. On the last night of the course he's far more interested in the chance of a big break, he may have already sabotaged to notice Sharon his one remaining pupil.

### The Last Can by Chris McQueer

The story of a couple trying their best to survive and get on in a post apocalyptic Glasgow. Tempers flare though when Lou finds out John has been keeping a secret from her; John has kept the last can of Irn-Bru on Earth for himself.
